A Note from Apostle Darlene

Dearest Friend,

Grace, mercy, and peace be multiplied unto you in Jesus' mighty name. We worship a true and living God who is forever active in our lives, the Church, and nations. We are living in such challenging times; yet we see all around us a harvest that is ripe and ready to be harvested. Will you be among the remnant labourers that will pray continually, asking, "Lord, give us the nations as an inheritance, and the uttermost parts of the earth to possess for your glory"?

"Ask of Me, and I will give You
The nations for Your inheritance,
And the ends of the earth for Your possession."
Psalm 2:8

Beloved, in recent times when I see multitudes gathering in protest for various issues, the Holy Spirit gives me a vivid vision of the last days' great outpouring upon the church and nations, and in this vision I see countless numbers of people across the nations holding banners of praise and marching in their streets and communities, worshipping and praising the Almighty God and Jesus, the King of Kings.

Now is the time when we see God fulfilling Habakkuk 2:14: "For the earth will be filled With the knowledge of the glory of the Lord, As the waters cover the sea."

Apostle Darlene Erbynn

Will you avail yourself and allow God to use you to cover the earth with the knowledge of His glory?

By the grace of God, over the past year, DEM has continued to preach, teach, and demonstrate the total gospel of the kingdom of God, and make disciples of Jesus Christ worldwide, through our international missions, prayer school, prayer lines, radio ministries, and the TIEV women's mentoring clinics.

Glory to God, in May 2025 the Lord opened a new door for DEM to take the gospel and prayer ministry to the nation of St. Kitts and Nevis. DEM currently runs over 15 prayer lines in 12 nations, raising up a daily prayer covering over the church and nations. We continue to lead and teach the nations how to pray through our "No Limits Time to Pray" radio sessions on ZJB radio Montserrat and Central Praise SKB radio, St. Kitts.

A Note from Apostle Darlene

Do take time to read the various testimonies and reports in the pages of this newsletter, and join us in giving God all the glory for the wonderful works He is doing through DEM.

Precious Friend, I am forever grateful to God and to you for your continued partnership in spreading the good news. It is my prayer that you will continue to be faithful in praying and supporting DEM, as we continue to seek, save, and disciple the nations in this coming new year. May God supply all your needs and multiply all your seeds sown into DEM back to you in your desired harvest.

"And my God shall supply all your need according to His riches in glory by Christ Jesus." Philippians 4:19

"And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work. Now may He who supplies seed to the sower, and bread for food, supply and multiply the seed you have sown and increase the fruits of your righteousness." 2 Corinthians 9:8, 10

A Testimony of God's Healing Power: From Endometriosis to Wholeness

By: Sis. Lauramae

I have a diagnosis of Endometriosis last year my symptoms got worse and I had to have a consultation at my GP due to my symptoms I had an urgent referral to the gynecologist as they suspected cervical cancer.

I called up Apostle Darlene instantly and told her. She spoke a prophetic word and said you will live and not die God has need for you it us not your time and cancelled the report.

I also told sis Angie who also rejected the report in prayer. I also raised it on the DEM no limits prayer lines, where the brethren agreed with me in prayer that I was healed in Jesus name.

Sis LauraMae

I was scheduled for an internal scan the week during the prayer summit which I put off till after the summit against to my families wishes because I believed God and wanted to honour Him by putting my commitment to Him first.

During the october prayer summit I was in a lot of pain and discomfort even after every session of prayers but I focused on the Lord and remained persistent in prayer attending all the sessions both those at dawn till late at night despite the pain, I held on to all the prophetic words I received from Apostle Darlene and the team including Prophet Jacob was that I would be healed.

I held on to the word of God and kept confessing my healing and glory to God after I returned from the prayer summit, I attended the hospital appointment and after all my investigations I was declared all healed.

Healing is for *all*

Dear reader,

Testimonies are replicable, they are not exclusive to a special group of people. The bible says, **"Jesus traveled throughout the region of Galilee, teaching in the synagogues and announcing the Good News about the Kingdom. And he healed every kind of disease and illness".**

Matthew 4:23 (NLT),

Luke 4:40, Matthew 8:16. Jesus was always willing to heal those who asked for healing and believed Him for it.

a year of outstanding TESTIMONIES

By Bro Theo, Ghana

I was dismissed from my job as a police officer eight years ago. A few years later, my wife left me, leaving me to care for our two children, a boy and a girl who were both under five at the time. As my savings ran out and the children started school, life became extremely difficult. I had no stable accommodation, no job, and no hope for the future. I shared a single room with a friend and my two children, and poor company led me into bad choices.

One Wednesday in February, around 6:23 p.m., I was on my way to meet some friends to plan how we could get items at night to sell the next morning for money. As I walked, I stopped in front of a building I often passed without realising it was a church. I found myself unable to walk past and entered.

Inside, I met a man who was on the phone. He ended the call and listened as I told him my story and where I was headed that evening. He told me a church service would start soon and asked me to stay, which I did. After the service, he gave me money for transport and asked for my address. He then asked me to meet him the next day at 1 p.m. near my house.

I arrived early, and he came with two church leaders, bringing food supplies—bags of rice, gari, beans, and other items—enough to last about a month. They asked to see where I lived, my children, and the elderly couple who helped care for them. The children were at school, but the couple confirmed my situation. The church prayed for me and encouraged me to live a better life and bring my friends to church.

> **RESTORATION IS FOR *all***
>
> God opened a great door for me to get my job back. This is a miracle, as I aligned myself to God's way of living, helping in church activities also,He made all things beautiful, and now I am in my station. Glory be to God and thank you, DEM, for using the pastor to care ,support, deliver, help, etc. My words can not express how grateful I am. Hallelujah!

OUTSTANDING TESTIMONIES

Continued from Page 5

The pastor continued to support me financially and helped with my children's welfare. I attended church three times a week. Later, I learned that the friends I was supposed to meet that night were involved in a crime the same evening—two were killed, three were arrested, and one escaped. I truly believe God saved me that day.

Two weeks later, I was wrongly arrested by a police officer who claimed I was the one who escaped. I was detained for 48 hours and taken to court. The judge ruled in my favor, released me without charges, and rebuked the officer.

End.

DEM PASTORAL MINISTRY

This arm of the ministry is dedicated to uplifting pastors, spiritual leaders, and communities in need across the nations. We stand in the gap through consistent intercessory prayers for ministers and their families, offering emotional, social, and spiritual support. We also take joy in celebrating their milestones—birthdays, anniversaries, and other special occasions. Our mission extends beyond the church walls. We demonstrate the love of Christ by reaching out to the poor, the hurting, and the needy. We assist pastors facing challenges—be it financial, emotional, or health-related—and provide refreshment and encouragement whenever needed.

Additionally, we sponsor mission work and outreach programs to spread the Gospel to unreached communities and nations.

Personal TESTIMONY

The pastoral ministry has deeply transformed my understanding of reaching the lost and discipling the nations. I've learned that effective evangelism requires creativity, compassion, and intentional strategy.

> **"Now, every financial blessing I receive becomes a conversation with God— "Lord, how should I use this for Your Kingdom?" In every circumstance, I look for ways to manifest God's presence and point people to Christ. This ministry has become not just a calling but a lifestyle of kingdom impact."**

Phillipines TESTIMONIES

LILIBETH ABENOJA

Intercessor on the Phililpines line.

Much has transpired for the last 5 years since I joined the No Limits Prayer Line. Much has also changed. Sometimes this "change" is beneficial and sometimes it is something that I am not proud of. Whenever realization comes in, I make a promise to myself to try harder and to do better. But sometimes I am persuaded to give in to some mundane habit of smoking and drinking which, by the way, come together and reinforce each other. When there's smoking, there's drinking, and the consequence of it, I am fully aware of. For some time, I tried to do away with this habit. But blindly, I began to embrace it again especially in social gatherings, during coffee time, or just by seeing others doing it. I am in a fluctuating situation, akin to "yo-yo dieting".

I know I need self-discipline. And it is always my prayer to be firm in my resolve and not to give in to my vulnerability. Listening to discussions during the prayer meeting paves the way for me to reflect and seek the guidance of our loving God. May His Words inculcate in me a sense of discipline, responsibility, determination, and strength. May His message bring "change" in me - a "change" for the better.

Phillipines TESTIMONIES

Five years and still continuously immersed in our on-line prayer meeting with fellow Christians, but sadly, not constant as it should be, due to some inevitable personal reasons. Barring inevitable circumstances, on-line prayer meeting is done as scheduled. It is our act of communicating with our Father in heaven and our avenue for learning the Word of God.

The group agreed to start reading the Books of Law. We already have finished Genesis, Exodus, and 3 chapters left before we finish Leviticus. After that, we're on to Numbers.

We learn to meticulously find what the Scripture meant. As learners, we are seekers and bearers of truth, so that the Word of God would also be truthfully told; however, there are books in the Bible that compel us to delve deeper into the narratives.

Everything in life happens for a reason. We may not like it because we feel that it does not serve to our advantage. When it does, it brings us joy and inspiration. But sometimes, it is damaging and heartbreaking; however, we cannot change it. It is destined to happen. We only have to accept it. Pray. God is our first recourse, not our last resort. Pray that whatever it is, something good will come out of it.

My faith in God keeps me rooted in my belief that I can overcome all challenges. I have always been religious and my joining with the No Limits Prayer Line is a welcome tool to learn even in the comfort of my own home. Our prayer meeting broadens my knowledge about the Word of God, strengthening my faith even more. Meeting with my group members is satisfying, in that we are able to share our thoughts on the Books that we are reading. Meetings are sometimes missed, not intentionally, but for reasons that cannot be avoided. Nonetheless, we resume the meeting the very next time everyone is available.

ARACELI AUSTRIA, PHILIPPINES

We read. We make comments. But first, we have to pray to ask for wisdom and understanding. We discuss. We share each other's perspective and we learn from it. Learning is continuous and we anticipate a time longer to finish the 1000+ pages of the Bible.

ANTIGUA, TIEV Women's Clinic

The Treasures in Earthen Vessels (T.I.E.V.) Women's Clinic, in Antigua continues to progress with monthly sessions aimed at deepening women's spiritual walk and understanding. Classes are conducted every second Monday of each month and are led by two dedicated instructors.

The women have responded well to the clear and engaging teaching. They have shown high levels of engagement, participating well in class discussions and answering questions. The sessions have been consistently described as informative, enlightening, and spiritually uplifting, creating a warm and welcoming space for growth.

French TIEV

The TIEV Women's Ministry is a movement birthed from a desire to see women walk in intimacy with God, rooted in His Word and empowered to live out the gospel through love, service, and leadership. We believe that every woman is uniquely called to be a faithful disciple of Jesus Christone who influences her family, community, and nation with grace and spiritual authority.

This ministry is not just about teaching; it's about transformation. It's about raising up women who know their identity in Christ, who hear His voice, and who boldly proclaim His truth in every sphere of life.

Glory to God two women, Pastor Lydie and Sister Bellya completed the French TIEV course 2025 in July 2025.

> **"THE LORD GAVE THE WORD; GREAT WAS THE COMPANY OF WOMEN WHO PROCLAIMED IT." — PSALM 68:11**

MY EXPERIENCE OF TIEV

Before we were able to invite Dr Darlene to our assembly for a women's programme, I had first encountered her through the manual she wrote, "Treasure In Earthen Vessels"
When Sister Valérie introduced TIEV, I felt the need to take part in this training.
I told myself that I had been a child of God for many years; as a pastor's wife I was well taught and therefore already knew many things.
But the Lord, in His foresight, allowed this connection with Dr Darlene, and when she invited me to follow this course I realised that I truly needed it, and it has been more than beneficial to me.
Not only because one never stops learning, but also because it allowed me to open my eyes more fully to who I am in God's sight, to realise that I truly have worth, to put aside my doubts, to strengthen my faith not only in God but also in myself, to recognise what God is capable of doing with me, and to reorganise myself in order to reach my goals.

I came to truly understand that God is waiting for me somewhere and that I am indeed precious in His eyes. This training has strengthened me and has enabled me to do things differently. It has changed the way I view myself, and now I look at myself through the eyes of Jesus. This allows me to see the woman God is calling despite her flaws and shortcomings, a woman who has much to give.

Reflections ON TIEV JOURNEY

I remember well when the classes started. I was at a point in my life where I was asking God for more training—both in my character and as a woman called to serve Him.

In His unique way of doing things, He brought me to TIEV not primarily for my benefit but to serve Mama Lydie, who needed someone to translate for her, and He chose me. I was so grateful for this opportunity because as I was learning about myself and about ministry as a woman, this whole experience brought me closer to Mama Lydie.

I loved everything about the teaching because it illuminated areas where I lacked knowledge, supported me during times of weakness, and confirmed my faith and calling. I learned a lot about the price to pay and the importance of depending on God as a Christian and as a woman in all aspects of our lives. The teaching confirmed that God has a powerful plan for each of us women and that what prevents us from fully embracing it is our own limitations. I am certain that God wants to do great things with each and every one of us.

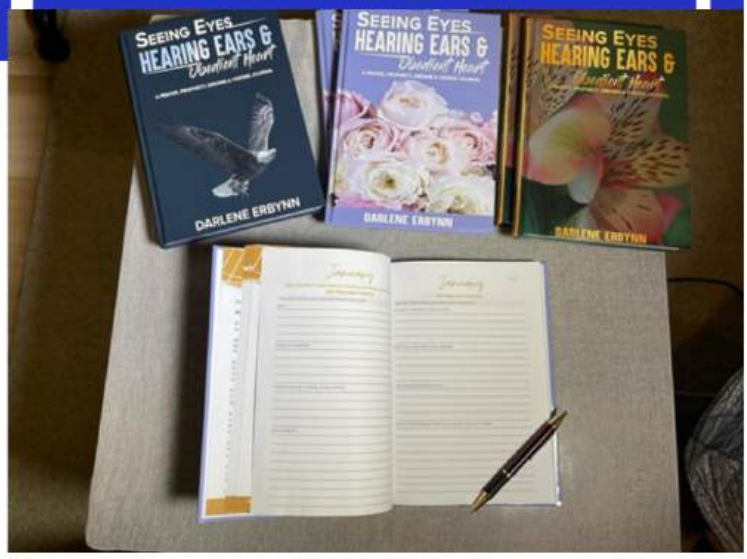

To conclude, I want to thank Dr. Darlene for her time and devotion. The simple fact that she accepted this calling proves that God uses those who are willing.

REFLECTION ON FRENCH TIEV FROM BELLYA YETE

Her devotion, patience, and love of teaching were blessings to me, and I grew tremendously by observing her.
I still have a long way to go, but I know that what I've learned will help me along my path and through the different seasons of my life ahead.

Record prayers, dreams, prophecies,track and look back on the journey with gratitude.

My Testimony ON THE TIEV JOURNEY

I was truly blessed throughout, however the module "Intimacy with God" really resonated with me. Speaking about our relationship with God reminded me just how essential it is to nurture that relationship every single day.

This course has also helped me to see the importance of setting aside time in prayer and in the Word. During a season when I was facing many challenges, I realised afresh that remaining rooted in God is what sustains and strengthens us. Prayer and Scripture reminded me that we must stay continually connected to Him, and that using our time wisely is part of honouring Him.

I was especially encouraged when listening to Sister Azzedine, a mother of four, share her own experiences. Her testimony strengthened me, and it was such a blessing to exchange ideas and support one another. I am thankful to be part of this course, and I look forward to learning and growing even more together in Christ

TIEV FRANCE

We are currently walking alongside three committed women based in France, meeting online on Saturdays via Zoom. These sessions have become sacred spaces of growth, healing, and revelation. Together, we dive into Scripture, pray fervently, and reflect on how to live as vessels of honour, women who are set apart, refined by the Word, and ready for every good work.
Each week, we explore biblical truths that challenge and uplift, helping these women to:

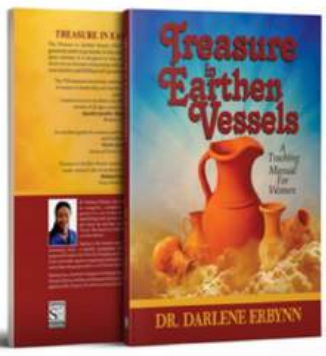

- Recognize their spiritual gifts.
- Develop a lifestyle of prayer and worship.
- Understand their divine purpose.
- Build confidence in hearing and obeying God's voice.

This journey is not just academic, it's deeply personal. These women are being equipped to lead, to intercede, and to shine as lights in their homes, churches, and communities.

> "If anyone cleanses himself from what is dishonourable, he will be a vessel for honourable use, set apart as holy, useful to the master of the house, ready for every good work." — **2 Timothy 2:21**

A CALL TO WOMEN

In a world that often overlooks or undervalues the spiritual strength of women, TIEV boldly declares that women are chosen vessels, carriers of divine treasure, called to do extraordinary things for the Kingdom of God. Just as God used Deborah to lead a nation, Maria Woodworth-Etter to bring revival, and Kathryn Kuhlman to demonstrate the power of the Holy Spirit, He is raising up women today who will walk in boldness, purity, and purpose. Through TIEV, ordinary women are being transformed into extraordinary ambassadors of Christ.

STUDENTS' REFLECTIONS

"The course has been very impactful. It has helped me to develop my relationship with God, pray more, and read the Word."
"I am truly grateful to God for the TIEV course. I was blessed to learn about what it means to be a woman in God's Kingdom. The different speakers were inspirational and their messages always enlightening. I was also encouraged by reading the manual — a real gem! I learned about God's generals and how many before us lived lives of obedience to God. I'm thankful to the special people who introduced me to this course. May they know their labour in the Lord is not in vain."

"Intimacy with God has helped me to understand more about God and how I have to deal with some obstacles like anxiety, always feeling the need to impress people and becoming discouraged and giving up easily can hinder intimacy with God.
I loved the topic hearing God's Voice.
This is because learning this topic has helped me understand that our ways are not God's ways.
Many a time I can be praying about something and not getting the right answers but learning this topic has helped me understand God has different ways of answering our prayers which is always in our best interest".

TIEV 2025 COHORT

This year, the course was redesigned into seven distinct modules. This modular structure enabled students to choose specific areas of interest and complete the course at their own pace. In addition, recorded videos of previous TIEV classes were made available to all participants, allowing them to prepare ahead of each session. Our DEM leaders had the privilege of teaching and ministering during the sessions, bringing deep insight, encouragement, and anointed teachings to the students.

Student Participation

We began this cohort with international students and UK based students. Each student selected the modules they were most interested in.

Throughout the course, students were mentored personally by TIEV leaders, and the impact was profound. The commitment of all students was commendable, particularly in regular attendance and timely submission of assignments.

To God be all the glory for what He continues to do through the TIEV Mentoring Clinic. Lives are being transformed, and women are rising to fulfil their God-given destinies.

May His name be praised forever. Amen.

YOUTH MINISTRY

We are thrilled to share the inspiring journey of our youths, where young intercessors are being equipped to pray with purpose for the nations, the church, the needs of others, and the lost. Alongside this, we have encouraged our youth to immerse themselves in Scripture, allowing the Holy Spirit to speak and reveal Himself through the Word of God. This journey has been transformative, deepening their faith and understanding of God's will for their lives.

The DEM No Limits Youth Prayer Line meets every Saturday from **7am to 8am BST** on whatsap, standing in the gap and waging spiritual warfare on behalf of the nations and our communities. As Psalm 34:15 declares:

"The eyes of the Lord are upon the righteous, and His ears are open unto their cry."

We believe that as we gather and intercede for others God's ears are attentive and open to hear and answer our prayers.

During our weekly gatherings, we also:

- Share personal prayer requests.
- Meditate on Scriptures
- Share revelations as given by the Holy Spirit

EUNICE MINISTERING AT OUR PRAYER SUMMIT

In our youth meetings, we have devoted time to exploring the power and purpose of intercessory prayer. Our young people have learned to pray with intention and compassion in the following areas:

Nations: Praying for global leaders and peace, understanding their role in seeking God's intervention in world affairs.

Church: Interceding for pastors, church leaders, and congregations and asking for unity, wisdom, and revival.

CARRIBEAN MISSION REPORT

2025 MISSION TO ANTIGUA, DOMINICA, ST KITTS & NEVIS

DOMINICA

7 MAY – 8 MAY 2025

DAY 1

The mission to Dominica began with powerful teachings by Apostle Darlene on persistent
prayer, declaring that believers are not only those who pray, they are often the answer to prayer. A prophetic word was released that revival is coming to Dominica, and the Church must position itself in prayer to receive greater glory, visions, strength, and home cell groups.

The Church experienced a fresh outpouring of the Holy Spirit, with new tongues, renewed health, and lifted limitations.

Workshops focused on helping believers see how they could become solutions in their communities, churches, workplaces, media, and education.

The mission ended with a call for the Church to rise in intercession and influence the Seven Mountains of society.

The story of two elderly women Peggy 84 Blind and Christine 82, riddled, who sparked revival through prayer reminded everyone that no one is disqualified from being used by God.

On the final night of mission to Dominica Apostle Darlene ministered to the youth, focusing
on breaking generational patterns and standing firm in God to avoid repeating cycles of
disobedience. She emphasised that:

- God has given everyone the power to choose just as Adam and Eve had the tree of
good and evil.
- Obedience brings blessing, while disobedience brings consequences (Deuteronomy
30:11–20; 28:1–15).
- God wants us to choose Him, remain courageous (Joshua 1:7–8), and stay rooted in
His Word.

Many young people responded powerfully — receiving prayer and the infilling of the Holy
Spirit. Haggai 2:6–9 and Isaiah 60:1–2 were declared, affirming that God is raising a glorious
generation filled with His light and glory.

 God wants us to choose Him, remain courageous (Joshua 1:7–8), and stay rooted in His Word.
Many young people responded powerfully — receiving prayer and the infilling of the Holy
Spirit. Haggai 2:6–9 and Isaiah 60:1–2 were declared, affirming that God is raising a glorious
generation filled with His light and glory

The Lord says to my lord: "Sit at my right hand until I make your enemies a footstool for your feet."

PSALMS 110:1, NIV

DAY 4 SATURDAY 10 MAY 2025

On Saturday morning, we attended Mt. Zion Warner Church, where the congregation was encouraged and strengthened through the Word. Many received healing, deliverance, and the infilling of the Holy Spirit, and the Lord's the manifested. Prophetic words , that the fire of the Holy Spirit will always burn on the altar and never go out (Leviticus 6:12-13), equipping the church with supernatural strength to disciple others and walk in God full power (Joshua 1:1-5).

The church was called to embrace new beginnings by letting go of old patterns and strengthening its media outreach. Plans for a Bible school were revealed, and though divisions may arise, God will bring unity (1 Corinthians 3). Believers were encouraged to rule (Psalms 110:1-7), shine as lights in the world (Isaiah 60), and intercede for others with God-given love in their hearts (Isaiah 62). Greater manifestations of God's power are expected in the days ahead (Haggai 2:6-9).

2025 MISSION TO ANTIGUA, DOMINICA, ST KITTS & NEVIS

TUESDAY 13 MAY 2025 - THURSDAY 15 MAY 2025

Upon arriving in St. Kitts, we encountered several obstacles. Our flight was initially unable to land and had to circle around before safely touching down. Despite these challenges, the missionary team pressed on. Upon arrival, we visited a local radio station where we shared the Word of God and encouraged listeners to attend our one-day program.

• Throughout our mission, the team continued to face significant spiritual opposition. However, like the apostles, we remained steadfast in prayer and committed to our purpose.

• The following day, we visited a care home and ministered to the elderly. Everyone the team encountered was witnessed to about Christ. At the care home, two staff members gave their lives to Christ, and many others were uplifted and strengthened in their faith.

• On Thursday night, a powerful service was held at Resurrection and Life Church. Apostle Darlene delivered a message on vision and the importance of fulfilling that vision. She also spoke about being the answer to someone's prayer. Many people, including young people, were prayed for. Deliverance and freedom were experienced, and the presence of God moved mightily among the congregation.

2025 MISSION TO ANTIGUA, DOMINICA, ST KITTS & NEVIS

FRIDAY 16 MAY 2025 – SUNDAY 18 MAY 2025

This year's mission we held two days of open-air services in Antigua, where the Gospel was preached with people passing by and those in the market. The missionary team prayed for both sellers and buyers, spoke about salvation, and many people were healed, delivered, and accepted Jesus as their Lord and Saviour. The team also connected with young people, with two joining the Antigua prayer line. On Sunday, Apostle Darlene preached at Temple of Praise Church on understanding our call and assignment, reminding the congregation that Jesus knew His assignment and that we, too, must have a vision for our lives and ministry. Referencing from Scripture, the message emphasised devotion to prayer, like Anna the prophetess (Luke 2), and the importance of actively participating in the harvest by making disciples (Matthew 9:36-38; Luke 10:2). Believers were encouraged to remain focused as a church (Joshua 4), stay prepared (Acts 1), support and follow up with disciples, and maintain their physical and spiritual health to fulfil God's assignment. Many were prayed for and experienced deliverance, and the young pastor and her husband, who recently assumed leadership, were prayed for and encouraged in their ministry.
