A Word from Apostle Darlene

Apostle Darlene Erbynn

Founder, Darlene Erbynn Ministries

Dear Partner in Ministry,

Please join me and our partners in DEM in giving God praise among the nations and giving Him all the glory for His faithfulness and mercy towards us throughout the years. We thank God for His unfailing love and for the assurance that He will never leave us nor forsake us, but will faithfully accomplish all that He has spoken concerning us and the vision He has entrusted to DEM.

"God be merciful unto us, and bless us; and cause his face to shine upon us; that thy way may be known upon earth, thy saving health among all nations." Psalm 67:1–2

This is our prayer for DEM: that God will continue to show us His mercy, bless us, and cause His face to shine upon us, so that His ways and His salvation may be made known among the nations.

Our desire is that the Lord will continue to use DEM across the nations to preach the Gospel, proclaim His Kingdom, and make His great name known throughout the earth.

Through the grace of God and the power of the Holy Spirit, we long to see lives transformed, families restored, communities impacted, and nations brought into the knowledge of Jesus Christ.

May the peoples praise Him, the nations be glad and rejoice, and Jesus Christ be acknowledged and exalted as King and Lord.

"God shall bless us; and all the ends of the earth shall fear him." Psalm 67:7

May God bless DEM, not for our own glory, but so that His name may be proclaimed, His Kingdom may advance, and the nations may praise Him.

God will accomplish what He has spoken.

Friend, when God spoke to Jacob, He gave him this promise:

"And, behold, I am with thee, and will keep thee in all places whither thou goest... for I will not leave thee, until I have done that which I have spoken to thee of." Genesis 28:15

A Word from Apostle cont'd...from page 2

This promise to Jacob reminds us of the faithfulness of the God who keeps His Word. What He has spoken, He is able to accomplish.

Therefore, let us declare together:

God is with us. He will keep us wherever we go, and He will faithfully accomplish all that He has spoken concerning us and the assignment He has entrusted to us.

This Is Our Daytime—Let Us Work!

The vision God has given to DEM is for an appointed time, and our appointed time is **Now**!

"For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry." Habakkuk 2:3

We therefore continue to trust the Lord, knowing that His purposes will be accomplished and that everything He has spoken will surely come to pass.

Jesus said: ***"I must work the works of him that sent me, while it is day: the night cometh, when no man can work." John 9:4***

Beloved, this is our daytime. This is our opportunity to serve the Lord while we have strength, health, light, time, and the resources to advance His Kingdom.

The "night" reminds us that opportunities and seasons do not last forever. Therefore, while it is still day, let us make every moment count for Jesus.

We must be faithful to preach and proclaim the Word of God **"in season, out of season" (2 Timothy 4:2).** *Nothing and no one should distract us from or cause us to abandon the assignment God has entrusted to us.*

BE CONSISTENT IN YOUR WALK WITH GOD AND SERVICE....

People change. Circumstances change. Seasons change. But God does not change. He remains faithful. Therefore, we must remain steadfast in our walk with God and in the service He has entrusted to us.

There will be seasons when people leave, disappoint us, or even betray us. Those we expected to journey with us may no longer be able or willing to continue. Some may become sick, some may walk away, and others may abandon the work. At times, it may even seem as though everyone has forsaken us.

Yet our confidence must remain in God. Jesus Christ, the One who called us and whom we serve, is ***"the same yesterday, and today, and for ever" (Hebrews 13:8).*** He has promised, "...**I will never leave thee, nor forsake thee" *(Hebrews 13:5).***

Continuing the DEM Vision

By the grace of God, DEM continues to reach the poor, hurting, and vulnerable through compassion outreaches and missions across the nations.

We continue to provide daily prayer covering for the Church and the nations through our various prayer lines. Through the TIEV Women's Mentoring Clinic, we disciple and mentor women, while through our prayer school, prayer lines, and radio ministry, we train and equip God's end-time intercessors, gatekeepers, and watchmen.

By God's grace, we will continue to fulfil the vision He has entrusted to us until Jesus returns. As the Holy Spirit enables us, we will also continue to preach and demonstrate the Gospel of the Kingdom. Our prayer is that the Lord will enlarge our influence among the nations, not for our own recognition, but so that His name may be glorified, His Gospel proclaimed, His Kingdom advanced, and the nations brought into the knowledge of Jesus Christ.

Please take time to read the reports and testimonies throughout this newsletter and see what the Lord has been doing through DEM to touch, transform, and impact lives across the nations.

The Time of Harvest Is Now

"...Lift up your eyes and look on the fields; for they are white already to harvest." John 4:35

"Let your loins be girded about, and your lights burning." Luke 12:35

We must recognise the urgency of the hour and faithfully fulfil the assignment God has given each of us. We must be wise, prepared, watchful, faithful, and ready for Jesus' coming. We cannot afford to live carelessly or unprepared. We must keep our lamps burning and be ready for the Bridegroom. Matthew 25:1–10

"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." Matthew 24:14

Each of us has a part to play in this Kingdom assignment.

THANK YOU TO ALL THE DEM PARTNERS

Our heartfelt thanks and gratitude goes to all the ministry partners, who labour in prayer, financial support, working and labouring in the field or behind the scene to support the ministry. We are praying for you always, that the Lord will multiply every seed you sow back to you and your loved ones, that the Lord will answer all your prayers speedily in Jesus name.

Thank you

Friend, thank you for your prayers, your giving, and your faithful support of the DEM vision. Your partnership enables us to continue reaching lives, strengthening the Church, proclaiming the Gospel, and advancing the Kingdom of God across the nations.

I encourage you to remain faithful to the end in fulfilling the assignment God has entrusted to you and in partnering with the vision of DEM.

Let us continue to Seek, Save, and Disciple the Nations until Jesus comes.

And let us continue to pray Psalm 67 over DEM:

"God be merciful unto us, and bless us; and cause his face to shine upon us; that thy way may be known upon earth, thy saving health among all nations." Psalm 67:1–2

May the Lord continue to use us to make His name known among the nations until the peoples praise Him, the nations are glad and rejoice, and the whole earth acknowledges the glory of Jesus Christ, our King and Lord.

May we faithfully run our race, fulfil our assignment, and finish well for the glory of God.

We are excited to share the incredible journey of our youth ministry where we have focused on teaching young intercessors to pray for the nations, the church, the needs of others, and the lost. Additionally, we have encouraged our youth to read the Bible, allowing the Holy Spirit to speak to them and reveal Himself through the Word of God. This journey has been transformative, deepening their faith and understanding of God's will for their lives.

INTERNATIONAL PRAYER MINISTRY

Rev. Christelle

Director, DEM International Prayer Ministry

As we continue to see God move through the International Prayer Ministry across the nations through prayer, we give God all the glory for what He is doing. We are seeing the importance of prayer and intercession become increasingly evident as we stand together in unity, praying for the world and for His Kingdom and will to be done on earth.

God has given apostles, prophets, evangelists, pastors, and teachers to His Church for the equipping and strengthening of the Body of Christ (Ephesians 4:11–12). Christ has given these ministries for the purpose of equipping the Body of Christ. Without prayer and intercession for our leaders and those in positions of authority, how can they be effective in carrying out the work and calling that God has given them?

How can the Body of Christ pray for them if we do not know how to pray or understand how to intercede? How can the Church pray for kings and those in authority if we have not been taught how to pray according to the will of God?

> **11 So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, 12 to equip his people for works of service, so that the body of Christ may be built up**
>
> *Ephesians 4:11-12*

This is why God has given a ministry like ours—to equip and train intercessors in how to pray while providing them with the opportunity to put what they have learned into practice on the prayer lines. They are developing eyes that see and ears that hear what God is saying in the realm of the Spirit.

We have many apostles, pastors, teachers, and evangelists from different churches who join us each week to pray and intercede. It is a blessing to see people from different churches coming together in unity to seek God and pray for the Body of Christ, our leaders, families, and the nations. They understand that without prayer, the Body of Christ will remain weakened.

INTERNATIONAL PRAYER MINISTRY continued....

When the disciples came to Jesus and said, "Lord, teach us to pray," Jesus did not simply tell them to pray; He taught them His model of prayer:
"When you pray, say: Our Father in heaven, hallowed be Your name. Your kingdom come. Your will be done on earth as it is in heaven." Luke 11:2
Jesus taught His disciples how to approach the Father, how to seek His Kingdom and His will, how to bring their needs before Him, how to ask for forgiveness, and how to pray for protection from evil. This is the model of prayer that Jesus gave to His disciples, and this is the model of prayer that we follow.
The DEM International Prayer Ministry across the nations is raising and equipping intercessors who will pray according to the will of God. We are building and equipping an army of intercessors who know how to pray and understand how to pray according to God's will.
Our aim is to see more intercessors raised up in different nations who will not pray according to what they see or feel, but who will learn to pray according to God's Word and God's will. We want to see the Body of Christ standing united in prayer, together as one.

RADIO MINISTRY

Our vision is to fill the earth with the knowledge of the glory of God by teaching the nations how to pray, while seeking to bring people to the saving knowledge of Jesus Christ and make disciples. As the ministry continues to grow, our long-term vision is to establish a DEM Prayer Radio Station where prayer will be broadcast seven days a week, 24 hours a day.
The Radio Ministry began in 2020 in Montserrat, with a weekly prayer broadcast every Sunday. Through these broadcasts, we have been teaching the nations how to pray and intercede for the Body of Christ and the various mountains of influence. We also invite intercessors to send in their prayer requests, allowing us to stand with them in prayer and faithfully intercede for their needs.
In 2025, during a missionary trip to St. Kitts & Nevis, the Lord opened a new door for the ministry to broadcast live on Central Praise Radio. We are grateful for this opportunity to reach even more people with prayer and the Word of God. Through these live broadcasts, we have been leading prayers for governments, families, Israel, children, and the Church, while encouraging believers to grow in their prayer lives.
Listeners have also been able to join us live on YouTube and Facebook, where they can participate in the broadcasts, share comments, and send in their prayer requests. It has been a blessing to see people from different nations joining together in prayer.

22ND BI-ANNUAL
Prayer Summit– Zoom

DELEGATES LIVE ON ZOOM AT THE 22ND BI ANNUAL PRAYER SUMMIT

This year's Bi-Annual Prayer Summit was held virtually, bringing intercessors from around the globe together in unity under one theme: **"Watch and Pray" – Luke 21:36: "Be always on the watch."**

The Prayer Summit was held for all nations, focusing on the importance of watching and praying, remaining spiritually alert, and standing together in intercession. Intercessors were encouraged to pray for the Body of Christ and the nations.

Pastor Dinard emphasised the importance of watching, remaining sober, and always being on guard. He reminded us that the enemy seeks to distract us and keep us from watching and praying. When we lose focus and take our eyes off Christ, we become vulnerable to distraction and deception. Therefore, we must remain spiritually alert, prayerful, and steadfast, keeping our eyes fixed on Christ through prayer.

Rev. Christelle preached on the importance of staying spiritually alert, prayerful, and positioned before God. She encouraged everyone to guard their hearts, remain in the Word of God, and develop a consistent prayer life. Drawing from **Luke 21:36, Matthew 26:41**, **Habakkuk 2:1, and 2 Kings 6:15–17,** she shared how prayer strengthens us, gives us spiritual discernment, changes our perception, and helps us stand firm in difficult times.

She also encouraged everyone to recognise the distractions and resistance that can hinder our prayer lives and challenged us to remain focused, watchful, and committed to prayer.

MISSIONS/COMPASSIONATE OUTREACH REPORT:

Ghana Compassion Outreach and Prayer Ministry

Throughout 2026, the Ghana Compassion Outreach and Prayer Ministry continued to reach children and communities through acts of compassion, fellowship, prayer, and practical support. We are grateful to God for the opportunities He gave us to serve and bless others.

1. COMPASSION OUTREACH – 1 JANUARY 2026

On 1 January, we visited children in the Central Region as part of our Compassion Outreach. We spent time fellowshipping with them, sharing food, and giving them gifts. It was a joyful opportunity to show them the love of Christ through practical acts of kindness.

GRACELAND CHILD CARE SHELTER AND FOSTER HOME – 24 JANUARY 2026

On 24 January 2026, we visited Graceland Child Care Shelter and Foster Home, where we blessed the children and staff with various items, including a commercial burner stove. We thank God for the opportunity to support the home and meet some of their practical needs.

RIGHTEOUS CRY CENTRE

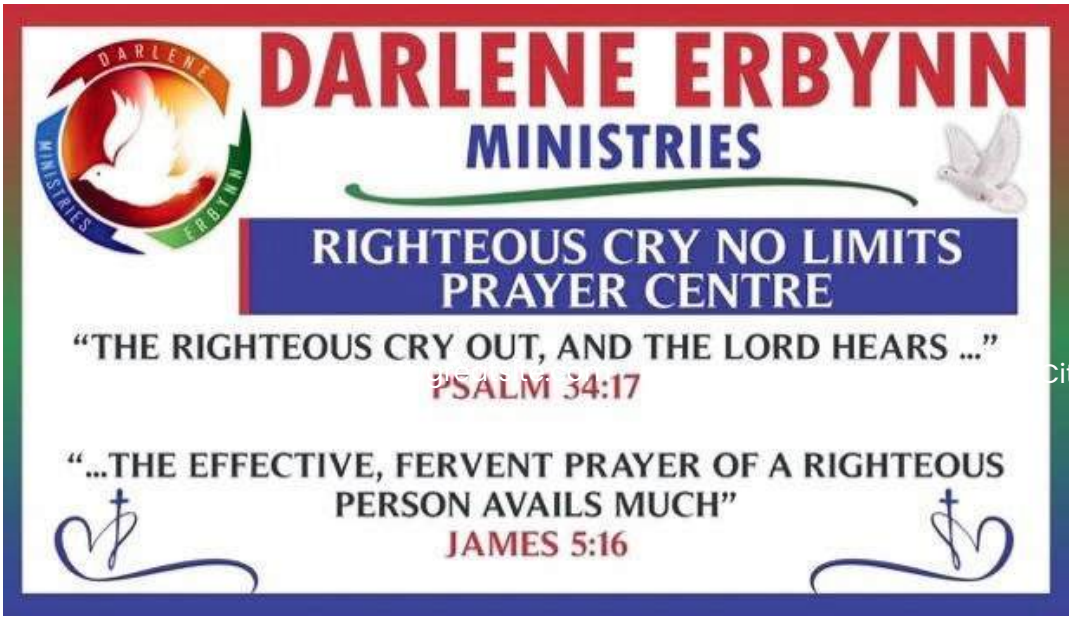

Ghana Compassion Outreach and Prayer Ministry

On 18 April 2026, we held our first meeting at the Righteous Cry Centre. This marked an important step in the development of the ministry and created an opportunity for us to gather, pray, and continue advancing the work God has entrusted to us.

Apostle Darlene's Visit – 4 July 2026

On 4 July 2026, Apostle Darlene visited us at the Righteous Cry Centre in Ghana. It was a wonderful and memorable time of fellowship, encouragement, and ministry. We are grateful to God for the awesome moments we shared together.

2027 LOOKAHEAD

By God's grace, we will continue the work of compassion and prayer in Ghana. Our next Compassion Outreach is planned for 1 January 2027,

when we will return to the Central Region to reach and bless children and families through practical support, fellowship, prayer, and the love of Christ. We give all the glory to God for His faithfulness and for every opportunity to serve and make a difference in the lives of others.

PHILIPPINES COMPASSION OUTREACH

Palakol, Floridablanca, Philippines, Sunday, 19 April 2026

Our DEM Prayer Partners travelled for over two hours from San Fernando, crossing two rivers and walking for 30 minutes to reach families and children in Palakol.
It was a wonderful opportunity to share God's love by providing food, praying with the families, and encouraging them in their faith. We thank God for opening the way for us to minister to this community and for the dedication of our Prayer Partners, who faithfully serve those in need.

JAMAICA OUTREACH

30 Dec 2025

Glory to God! It is so beautiful to see Winsome, Neil, Yvonne, and Melin, our DEM intercessors in Jamaica, being used by God to touch the lives of those in need through the Gospel.

In late October last year, a devastating hurricane hit Jamaica, with the western parts of the island, particularly St. Elizabeth and Westmoreland, being among the hardest-hit areas. Many families were left homeless and struggling to access food and water.

Two of DEM's partners, Winsome and her husband, Neil, led a compassion outreach organised by the founder and leader of the DEM ministry, Pastor Darlene. They visited some of the areas most severely affected by the hurricane, providing food supplies, water, and baby diapers, and reached out to more than 40 families.

Through this outreach, we were able to demonstrate the love of God by giving practical support to our brothers and sisters who were in need.

> "But whoso hath this world's good, and seeth his brother have need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him? My little children, let us not love in word, neither in tongue; but in deed and in truth."
>
> **John 3:17–18**

INTERNATIONAL PRAYER MINISTRY

The ministry has seven international prayer lines, with believers from eleven 11 countries coming together regularly to pray and intercede for the nations. These prayer lines provide an opportunity for believers from different countries to stand together in prayer, seek God's will, and believe for the transformation of lives, families, communities, and nations.

Monserrat, Grenada, Trinidad & Tobago and St Kitts & Nevis – Prayer Line

We give God all the praise and glory for His continued faithfulness. The Caribbean Island Prayer Line continues to meet at 3:00 a.m. every Tuesday and Thursday, as intercessors gather in obedience to His command to "pray without ceasing."

We are grateful for the commitment and faithfulness of those who continue to stand in prayer. On Tuesdays, we consistently have an average of four intercessors joining the line, with attendance sometimes exceeding this number. On Thursdays, we regularly have three or more intercessors. Across both days, different intercessors have committed themselves to specific prayer days, while some have faithfully committed to attending on both Tuesdays and Thursdays.

We give God thanks for their dedication and sacrifice.

In May 2026, we also had the privilege of joining together with the Grenada, Trinidad & Tobago, and Montserrat prayer lines. This time of united prayer was a wonderful expression of fellowship and oneness in Christ as we came together to seek God with one heart and purpose.

We have continued to witness God move in tremendous and miraculous ways in response to prayer, and we give Him all the glory for His faithfulness and for every testimony that has come through the ministry of prayer.

Would you like to join our prayer lines? Please see page 29, for the list of all our prayer lines, times and contact information

Monserrat, Grenada, Trinidad & Tobago and St Kitts & Nevis – Prayer Line...CONTD

We have also seen growth and development in the lives of the intercessors who join the prayer line, both in their prayer lives and in their knowledge of the Word of God. Intercessors have developed the confidence to lead prayer, and they participate on a rotating basis. Some have grown in maturity to the point of taking responsibility for calling the prayer line themselves.

The sharing of revelations following the meditation on the Word of God is always rich and provides wonderful opportunities for teaching. There have also been many testimonies shared of God's great answers to prayer in the lives of the intercessors.

Another mighty move of God through the prayer line has been the greater hunger He has placed in the hearts of the intercessors to learn more about prayer. Three of the intercessors from the T&T prayer line enrolled in the 2026 Prayer School and committed themselves to attending. It was a challenge for them, as they had to attend the school at 2:00 a.m. their local time. However, God has been good and has given them the grace they needed not only to attend but also to complete their assignments. To God be all the glory!

We give all thanks and glory to God. This is His doing, and we continue to pray that God will raise up more intercessors who will respond to His call upon their lives, both for these nations and for other nations of the world.

HEALING TESTIMONIES

Testimony of God's Answer to Prayer for Marriage

Prayer was continually made for this sister whenever we prayed for families, marriages, and young people to find godly partners. She was lifted up in prayer because it was her desire to get married and start a family. She was one of the members of the prayer line when it first began.

God answered her prayer, and she got married. She is now expecting a baby boy in November. Thanks be to God! He hears and answers prayer and grants the desires of our hearts according to His will.

> "...for I am the Lord that healeth thee"
>
> **EXODUS 15:26**

Testimony of God's Healing

One of the intercessors asked us to pray for her uncle, who was sick and in the hospital. We agreed together in prayer for him on the prayer line. The sister later reported that he was doing much better, had been discharged from the hospital, and was getting stronger each day.

God is a healer and a restorer. All praise be to God!

TESTIMONIES

One sister asked for prayer concerning her finances on the prayer line. She shared that she needed a miracle in her financial situation. She was owed money that had not been paid, and she was also experiencing other challenges with her business.

We agreed together in prayer, calling on God to intervene in her finances, provide for her, and prevent her from being put to shame. We prayed for every devourer to be rebuked and for God to provide according to her needs.

God heard and answered her prayer. That very same day, God began to move. Contracts that she had been struggling to get approved were approved, enabling her to receive payment, and she also received new contracts. God is a mighty God, and He truly answers prayer!

Jamaica, Antigua & Barbuda – Prayer Line

The Antigua, Barbuda, and Jamaica Prayer Line has been running consistently this year on Monday and Saturday mornings.

***Ephesians 6:18*: "Praying always with all prayer and supplication in the Spirit, being watchful to this end with all perseverance and supplication for all the saints."**

The intercessors have remained committed to joining the prayer line, leading prayers, and interceding for others.

***Job 42:10*: "And the Lord restored Job's losses when he prayed for his friends."**

***Galatians 6:2*: "Bear one another's burdens."**

They pray as the Holy Spirit leads, with boldness and authority.

***Acts 4:31*: "And when they had prayed, the place was filled with the Holy Spirit, and they spoke the word of God with boldness."**

The intercessors have grown spiritually and have experienced many answers to prayer.

***Mark 11:24*: "Therefore, I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them."**

Dominica Prayer line

On May 23, 2024, a mission trip was carried out to Dominica, where the DEM Prayer Ministry was established. During the mission, we had the opportunity to share the Gospel at the Scott Head branch of Gospel Light Temple Church.

Following the mission, the Dominica Prayer Line was established on June 8, 2024. Since then, the intercessors have remained faithful in prayer, meeting every **Saturday at 4:30 a.m. Caribbean time** to pray and intercede for the nations.

This year marks two years since the prayer line was established, and we give God thanks for His faithfulness. During this time, many intercessors have shared testimonies of what the Lord has done in their lives through the ministry and the power of prayer.

TESTIMONIES

The Lord has done so much for me since I joined this prayer line. My prayer life and reading of the Word have increased. I am grateful for what God is doing in my life through this prayer line.

DEMASIAH

The Lord has done so much through the prayer line in my personal life. I really want to thank God for choosing me to be a part of these great intercessors who agree on the line and pray for others and for the nations. I can see growth in the prayer line and in the lives of others.

PASTOR DELBERT

> "The Lord has done great things for us, and we are filled with joy"
>
> **Psalm 126:3**

TESTIMONIES

I want to thank God for His faithfulness and for teaching me the importance of obedience. The Dominica prayer line started through obedience to God, His direction, and his leading.

I was traveling to Dominica for my mum's wedding alone, and wanted to share the ministry of prayer to the body of Christ which the lord has given to the DEM.

This was really a battle because the church I was expecting to open its doors to me was not responding to my messages. However, while the intercessors in London were praying and Apostle Darlene was standing with me in prayer, God opened a door to be connect with Apostle Bannis and Pastor Edward.

I was able to preach at Gospel light temple church in Soct Head and continued to keep in communication with Apostle Bannis. Then, the Dominica prayer line was established on my return to the United Kingdom on 8 June 2024.

It was not just the Dominica prayer line that God established. He also allowed my mum to become a part of the prayer line. When you stand in obedience to God and carry out the assignment He has given, your family will become a part of this great movement of God.

I thank God for what He has done and continues to do through the prayer line and for the lives that are being impacted through prayer. We will change lives and impact more nations through prayer.

Rev Christelle

> "Therefore encourage one another and build each other up, just as in fact you are doing."
>
> **1 Thessalonians 5:11 (NIV)**

Sis Francis

Since I joined the prayer line, it has been blessing upon blessing. The Lord has really blessed my business. I have a local fruit drink business, and people just walk up and buy from me. I want to thank the Lord for this prayer line and for all the people from my church who joined. Some have since left, and I don't know why, but I am the only one who has remained.

I pray that this prayer line continues, as it is making a big impact in many people's lives. I always want to thank the Lord—not only because He has blessed my business, but also because He has blessed me with a husband. Someone came into the church and said that he wanted to marry me. I truly want to thank God and this prayer line for the many blessings in my life.

Sis Bannis

This prayer line has been a blessing. I can see spiritual growth in all the intercessors. This prayer line should not stop; it should continue until Jesus returns.

SIS. PATRICE

I want to give God thanks and praise for the ministry. I was once very shy and unable to speak confidently, but since joining the ministry and the prayer line, my walk with the Lord and my confidence have grown. I thank God for the growth He has brought into my life through this ministry and prayer line.

SIS. PATRICE

TESTIMONIES

I praise God for Family restoration that got answered after 4 years.
Also, for a good result from a recent Mammogram screening.

Min Lauramae

To God be the glory; great things He has done! Since 2020, I have been a part of the prayer line, and I have no regrets. It has been a great blessing to me, and my prayer life has improved as I have learned to pray using Scripture.
I used to suffer from epilepsy, but now I am healed through the blood of Jesus. I give God thanks for His love, His grace, and His mercy, for protecting my family and me, and for providing for us.
I love You, Lord! **Sis Cutie - Jamaica**

As child of God, I am proud to testify about the goodness of God. He has been so good to me. I was experiencing so much pain throughout my body, but God touched me and healed me. God also healed my eye, and I am so grateful for His healing power.
My grandson was in trouble with another man, but God intervened and brought him through the situation.
God has been truly good to me, and I give Him all the glory, honour, and praise for His faithfulness and goodness. Amen

UK PRAYER LINES

Sunday Prayer Line

Throughout the year, the Sunday Prayer Line has continued to provide a consistent place of corporate intercessory prayer fellowship and spiritual encouragement. Members have faithfully gathered to seek God together, study His Word and stand in prayer for , the Church, communities and the nations. The line has also placed a strong emphasis on building and strengthening our faith through the Word of God, particularly as members have faced various personal challenges. Through Scripture, prayer and shared encouragement, we have continually reminded one another of God's promises and faithfulness. A major focus throughout the year has been sharing one another's burdens, particularly for the salvation of unsaved family members and loved ones. Together, we have brought names, families and situations before God, encouraging one another not to become weary but to continue believing for salvation and transformation. Alongside this has been a growing understanding that God has chosen and called us to partner with Him through prayer. Our intercession is therefore not simply about presenting our personal needs before God, but recognising the privilege and responsibility we have to stand in the gap and pray for His purposes to be established in the lives of others, our local communities where we have sort God's intervention in many issues such as our youths and children.

REPORT CONTINUED ON PAGE 37

WE THANK GOD FOR THE TESTIMONIES AND ANSWERED PRAYERS WITNESSED DURING THE YEAR NOT ONLY IN SOME OF THE LOCAL AMD NATIONAL ISSUES WE HAVE RAISED BUT WE CELEBRATED WITH THE BLESSINGS GOD HAS REWARDED THE INTERCESSORS WITH. SIS ELODIE FOLLOWING THE BLESSING OF A NEW JOB, RECOGNISING GOD'S PROVISION.

WE ALSO WITNESSED THE MIRACULOUS PROTECTION OF GOD IN THE LIFE OF SIS PATRICIA, WHO WAS INVOLVED IN WHAT COULD HAVE BEEN A FATAL ACCIDENT

Sis Patricia and her colleague miraculously walked away from this accident on the motorway due to God's mercies and protection. Thank you Jesus!

UK PRAYER LINES

Friday Prayer Line

Throughout 2026, the DEM No Limits Friday Prayer Line has continued to provide a consistent place of prayer and intercession, meeting every Friday at 3:00am.

The Friday Line currently has 10 members, with approximately five to six regular attendees. This year, we have been encouraged by the continued commitment of our members and by new people becoming part of the Friday prayer family.

We are particularly grateful that Minister Edna has now joined the Friday Line and has taken greater responsibility within the group. Her involvement has brought additional support and leadership to the line as we continue to strengthen the ministry and encourage greater participation.

One of the greatest strengths of the Friday Line continues to be the faithfulness of those who make the sacrifice to rise in the early hours of the morning and stand together in prayer. Their consistency, commitment and willingness to intercede remain at the heart of the ministry.

> Not forsaking the assembling of ourselves together....
>
> **Hebrews 10:25**

KEY HIGHLIGHTS

- **THE FRIDAY PRAYER LINE HAS CONTINUED TO MEET FAITHFULLY EVERY FRIDAY AT 3:00AM.**
- **THE LINE CURRENTLY HAS 10 MEMBERS, WITH A COMMITTED CORE OF APPROXIMATELY 5–6 REGULAR ATTENDEES.**
- **MINISTER EDNA JOINED THE FRIDAY LINE AND HAS TAKEN GREATER RESPONSIBILITY, HELPING TO STRENGTHEN THE TEAM.**
- **MEMBERS HAVE CONTINUED TO DEMONSTRATE COMMITMENT AND PERSEVERANCE THROUGH REGULAR EARLY-MORNING INTERCESSION.**
- **THE LINE CONTINUES TO PROVIDE A PLACE WHERE MEMBERS CAN PRAY TOGETHER, SUPPORT ONE ANOTHER AND STAND IN AGREEMENT FOR PERSONAL NEEDS, FAMILIES, THE MINISTRY AND WIDER PRAYER NEEDS.**

TESTIMONIES

"Firstly, I want to thank God for the gift of life and for healing. There is no time that I come in for prayers and we pray together that God does not answer. I have also seen God answer me financially. I want to thank God for that, and I also want to thank my Friday DEM family

Sis Feyisikemi

Sister Feyisikemi's testimony reflects one of the important purposes of the Friday Prayer Line: coming together in faith, standing with one another in prayer and witnessing God's answers in different areas of our lives.

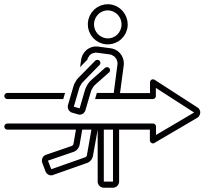

Friday Prayer Line Continued

Our priorities will be to:

- Actively invite and refer more intercessors to join the Friday Prayer Line.
- Encourage each member to personally introduce at least one new intercessor to the line, building on the vision already established for its growth.
- Encourage members to actively join the Prayer School and TIEV course, enabling them to deepen their knowledge, prayer life and spiritual development.
- Develop more members to take responsibility and serve within the line, strengthening continuity and leadership.
- Increase the number of members who participate consistently each Friday.
- Continue building a prayer family characterised by faithfulness, unity, spiritual maturity and effective intercession.

We thank God for His faithfulness throughout 2026 and for every intercessor who has cgo deeper in prayer. We look forward with expectation to seeing more lives toucheontinued to stand in prayer. As we enter 2027, our desire is not simply to grow in number, but to grow stronger spiritually, raise more committed intercessors and equip our members to do more testimonies shared and more people answering the call to stand in the gap through prayer.

2027 LOOKAHEAD

As we move into 2027, our focus will be on strengthening the existing team while intentionally raising and developing more committed intercessors.

when we will return to the Central Region to reach and bless children and families through practical support, fellowship, prayer, and the love of Christ. We give all the glory to God for His faithfulness and for every opportunity to serve and make a difference in the lives of others.

> But seek first the kingdom of God and his righteousness, and all these things will be added to you

Saturday Prayer Line

To God be all the glory for His faithfulness in sustaining the Saturday Prayer Line throughout the year.

The Saturday Prayer Line has continued to provide a consistent platform for corporate and intercessory prayer every Saturday from **3:00 a.m. to 5:00 a.m**. The intercessors faithfully gather to pray, study the Word of God, and fellowship with one another, creating an environment that fosters both spiritual growth and unity.

Throughout the year, the prayer line has maintained a strong emphasis on prayer, intercession, and the building of a vibrant prayer altar. The intercessors are deeply grateful for the positive impact the ministry has had on their lives, particularly during challenging seasons, as they have experienced God's comfort, strength, and guidance through prayer.

We have witnessed remarkable consistency, commitment, and spiritual growth among the intercessors. They have remained devoted to praying and standing in the gap on behalf of individuals, families, the Body of Christ, and various prayer concerns. We have also seen their willingness to make sacrifices, with members faithfully taking turns to lead prayer sessions and facilitate times of intercession.

“We thank God for Sister Veronica, whom He enabled to establish a sewing club for children, and another sister whom He used to initiate a prayer meeting within her workplace. We give all glory to God for these testimonies and for His continued work in the lives of His people.”

God has been faithful, and we have received several testimonies during the year. These include experiences of healing, divine protection, travelling mercies, and new opportunities. We thank God for Sister Veronica, whom He enabled to establish a sewing club for children, and another sister whom He used to initiate a prayer meeting within her workplace. We give all glory to God for these testimonies and for His continued work in the lives of His people.

As we reflect on the year, we are thankful to God for sustaining the Saturday Prayer Line through His Word, answering prayers, and ministering to His people through the Holy Spirit.

Looking ahead to the coming year, we pray for more labourers to join the ministry, for continued growth in the knowledge of God's Word, for a deeper partnership with the Holy Spirit in prayer, and for the grace to continue standing in the gap on behalf of others.

We give God all the praise for His faithfulness and look forward with expectation to all that He will do in the year ahead.

Monday Prayer Line

The Monday Prayer Line meets in the early hours of every **Monday, from 3:00 a.m. to 5:00 a.m.,** for two hours of prayer and intercession.

Our Intercessors

The prayer line is made up of faithful intercessors, watchmen, gatekeepers, and apostles of prayer who are committed to standing in the gap and interceding before the Lord.

One of the strengths of the Monday Prayer Line is the passion and commitment of each intercessor. Everyone carries a particular burden and area of passion, and we come together to pray and stand in agreement concerning these areas.

Our key areas of passion include:

- Evangelism and reaching the lost
- Praying for leaders, pastors, and those in positions of authority
- Praying for families and singles

We give all the glory to God for His faithfulness and for the testimonies and breakthroughs He continues to bring through the Monday Prayer Line.

> **“We have seen the Lord answer prayers in remarkable ways, including healings and breakthroughs among our intercessors and their families. We have also witnessed God intervene in situations involving the loved ones of our intercessors, as needs and concerns have been brought before Him in prayer.”**

Tuesday Prayer Line

The Tuesday Prayer Line has continued to stand in the gap and intercede every Tuesday from 3:00 a.m. to 5:00 a.m., without missing a single prayer session. The intercessors have taken turns leading the prayer sessions, giving everyone the opportunity to prepare, lead, and grow in confidence.

The intercessors are grateful for the impact the prayer line has had on their spiritual lives, particularly in developing the discipline of waking up early to intercede, hearing from God, spending time in meditation, and sharing lessons from the Scriptures they have studied when they gather together on Tuesdays.

The prayer line has also experienced significant growth this year, increasing from one member to five members, with four currently being active participants.

We have witnessed several answered prayers and testimonies throughout the year, including healings, new job opportunities, immigration settlements, and the wedding ceremony of one of our intercessors. We give all the glory to God for these testimonies.

We thank God for the miracle marriage of our dear sister on the Tuesday line. Hallelujah!

TREASURE IN EARTHEN VESSEL (TIEV) MENTORING CLINIC

But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us.

2 Corinthians 4:7

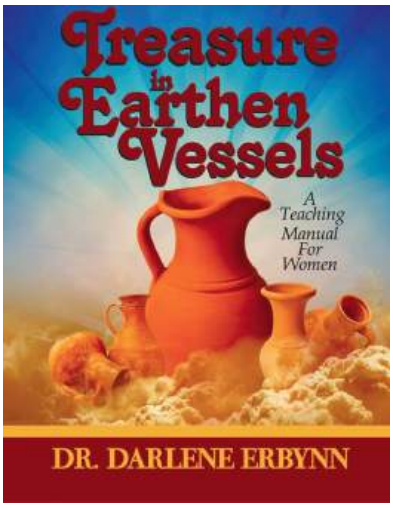

To God be all the glory for the successful running of the Treasure in Earthen Vessel (TIEV) Mentoring Clinic, organised by the DEM Women's Ministry.

This was the second year the TIEV Mentoring Clinic was delivered using a modular structure. Participants were given the opportunity to choose the specific modules that aligned with their areas of interest. To support their learning, students had access to recorded video lessons before each session, enabling them to prepare adequately. Throughout the programme, DEM leaders continued to provide teaching, guidance, and mentorship.

This year, seven students registered for the mentoring clinic, with some opting to attend selected modules. Of these participants, three were international students, while the remaining four were based in the UK. Most students remained actively engaged throughout the sessions, contributing meaningfully to discussions on topics covered in the TIEV manual as well as lessons from the lives of women generals of the faith.

The mentoring clinic continues to serve as a valuable platform where women come together to learn, grow spiritually, and engage in thoughtful discussions on a variety of life and ministry-related topics.

TIEV Manual available for purchase

"I have really enjoyed the TIEV course because it has given me the opportunity to reflect more deeply on the teachings in the TIEV book. The class discussions have also been very valuable, as hearing the perspectives and experiences of other participants has broadened my understanding and enriched my learning.

TREASURE IN EARTHEN VESSEL (TIEV) MENTORING CLINIC

But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us.

2 Corinthians 4:7

In October 2025, a combined graduation ceremony was held for the Prayer School, English TIEV, and French TIEV programmes. A total of four students graduated: two from the French TIEV programme, one from the English TIEV programme, and one from the Prayer School.

It was a glorious and memorable occasion in the presence of God, celebrating the commitment, growth, and achievements of all the graduates.

Conclusion

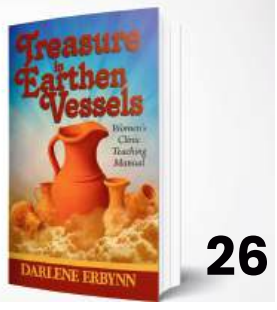

We thank God for His faithfulness and for the success of this year's TIEV Mentoring Clinic. We are grateful to all the facilitators, mentors, and participants whose commitment contributed to the programme's success. We pray that the lessons learned will continue to bear fruit in the lives of all participants as they grow in their spiritual walk and fulfil God's purpose for their lives.

"I was truly blessed during one of the teachings on emotions and spiritual discipline. It has equipped me with a greater understanding of how to manage my emotions effectively and how to relate to others while going through difficult situations."

"I would highly recommend the TIEV course to anyone who desires a more holistic lifestyle while growing and becoming more intentional in their spiritual journey. It has been a meaningful and enriching learning experience."

FRENCH: TIEV MENTORING CLINIC

SIS VAL - FRENCH TIEV CO-ORDINATOR

This year has marked another important stage in the development of French TIEV: Trésor dans des vases en terre. The vision remains to raise and equip French-speaking women to become strong women of faith, committed intercessors, mentors and vessels of honour who can carry the Word of God into the French-speaking world.

We are grateful that the programme has continued with a new cohort this year. Sister Azzedine and Sister Dominique are currently taking part in the French TIEV programme, continuing the work of equipping French-speaking women through the teaching, mentoring and spiritual development offered by TIEV.

Their participation represents the continuation of the vision and provides another opportunity to invest in women who can, in time, strengthen and extend the work of TIEV within the francophone community.

Thanksgiving

We thank God for the continuation of French TIEV and for Sister Azzedine and Sister Dominique, who have committed themselves to this year's programme.

Every new cohort represents another step towards fulfilling the wider vision: to raise women who are equipped spiritually, strengthened in their faith and prepared to become vessels through whom God can influence their families, communities and nations.

We are also grateful for the foundation that has already been established and for the opportunity to continue building a French-speaking community of women who are passionate about prayer, spiritual growth and mentoring others.

2027 LOOKAHEAD

In 2027, our focus will be on strengthening the French TIEV programme and extending its reach to more women across the francophone world.

KEY HIGHLIGHTS

- **A new French TIEV cohort is underway, with Sister Azzedine and Sister Dominique participating in the programme this year.**
- **The programme continues to provide structured teaching, mentoring and spiritual development for French-speaking women.**
- **French TIEV continues to build on its vision of raising women who are spiritually mature, grounded in the Word and committed to prayer and intercession.**
- **The French TIEV manual remains an important resource for supporting the programme and extending its reach to a wider French-speaking audience.**
- **The ministry continues to pray for greater opportunities and open doors within the French-speaking world, which remains one of the key objectives identified for French TIEV.**

FRENCH: TIEV MENTORING CLINIC

CONTINUED...

Our priorities will be to:

- Continue and successfully complete the current cohort, supporting Sister Azzedine and Sister Dominique throughout their TIEV journey.
- Actively promote and advertise French TIEV to reach more French-speaking women.
- Increase awareness and use of the French TIEV manual as a resource for teaching, mentoring and spiritual development.
- Recruit and develop new cohorts of French-speaking women.
- Encourage women who complete the programme to become mentors and spiritual support for other women.
- Build stronger connections with French-speaking churches, ministries and communities where appropriate.
- Work towards establishing a growing network of French-speaking intercessors and vessels of honour who can carry the vision of TIEV into their own communities and nations.

We thank God for the continued growth of French TIEV and for every woman who has answered the call to be equipped. This year's cohort, including Sister Azzedine and Sister Dominique, represents another important step forward. As we look towards 2027, our prayer is for greater visibility, more open doors and more French-speaking women to be reached, trained and transformed. Our vision remains to raise women who will stand firm in prayer, mentor others and carry God's Word throughout France and the wider francophone world.

TESTIMONIES

Sister Barbara recently shared a wonderful testimony of God's faithfulness and answered prayer.

She went to the doctor because her blood pressure had been very high. The previous reading had been 147, so she was concerned and asked for prayer during our Friday morning prayer meeting. She was encouraged that she would return with a testimony.

When she went back to the doctor and had her blood pressure checked again, the reading was 128/77! Hallelujah! Sister Barbara shared, "That is a miracle, hallelujah! Yesterday it was 147, but after asking for prayer on Friday during our morning prayer, I came back with my testimony. God is awesome! He has given me a second chance."

Through it all, she gives God all the glory and recognises His goodness and mercy.She was so excited about what God had done that she began sharing her testimony with the doctor and even continued telling others about it on the taxi ride home!

What a powerful reminder that God hears our prayers, answers in His own way, and is always faithful. Truly, He is a great and awesome God, the God of a second chance!We thank God with Sister Barbara for this testimony and pray that her continued journey will be filled with strength, wisdom, good health, and the grace of God.

To God be all the glory! Hallelujah!

REFLECTION ON 1 TIMOTHY 3:7

Written by Valerie

What really spoke to me in this verse is the reminder that, as Christians, we are called to be a good example, not only within the church, but also to those outside of it. Our lives should reflect Christ in the way we live, speak, love, treat others, and conduct ourselves. Scripture says, ***"Christ in you, the hope of glory***." If Christ truly lives in us, then His light should be evident through us.

Sadly, there are times when we fall short. Sometimes, the way we behave in the real world looks no different from those who do not know Christ, and at times, even worse. We cannot claim to be followers of Christ while becoming darkness in a world that desperately needs light.

Being a Christian is more than carrying the title of "believer." It is a calling to live in such a way that our lives point others to Jesus. People should be able to see something different in us. Not perfection, but Christ. Not hypocrisy, but integrity. Not condemnation, but love. Not darkness, but light.

It is time for us to rise, not only as believers, but as role models and true representatives of Christ. Our testimony matters. Our character matters. The way we live when no one is watching matters. We are Christ's representatives in this world, and our lives should give others a reason to see and know Him.

May we strive to live lives that bring honour to Christ, so that those outside the faith can see Him through us. Let us not only say that we follow Christ. Let us live like we do.

> Moreover he must have a good testimony among those who are outside, lest he fall into reproach and the snare of the devil.

2025 GRADUATION :PRAYER SCHOOL & TIEV

> Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.
> **2 Timothy 2:15**

There were many joyful testimonies of transformation through the impact of the Word of God during the TIEV and Prayer School. There was also prayer and laying on of hands.

Oct – 2025 - Prayer Summit Theme - *ASK me and I will give you the nations – Psalm 2.8*

Written by Min. Angie

SPEAKERS: AP DARLENE – PASTOR PATRICK - PASTOR JACOB

The things that was most significant to me from the prayer summit
Firstly, the emphasis of remembering that we are God possession his treasure. His most valuable resources e and business. I need to catch this revelation. The need for me as intercessor to be faithful and committed knowing the emphasis is on me as God most precious investment. To raise up to take ownership and actively contribute and make a positive impact on the world
Secondly the topic of not being like Matha but chosening to be a Mary. Make conscious decisions to be with Jesus. To sit at his feet to hear from him.
Most significant was the spiritual exercise of deliberately practicing listening to God what he was saying and writing down what we hear. That exercise was transformative. It took away the mystery of if I hear from God accurately . I learned God had so many things and instruction he wanted to say to me. This exercise was really very helpful.
Lastly the night we spent praying for UK asking God to give us England.

DEM PRAYER SCHOOL 2026

Darlene Erbynn Ministries Prayer School 2026 Report

The Darlene Erbynn Ministries Prayer School 2026 has been a significant season of spiritual training and equipping, challenging students to move beyond simply knowing about prayer to becoming people who pray strategically, stand in the gap, watch over their spheres of influence and partner with God in rebuilding what has been broken.

Through the teachings on Intercessors, **Watchmen and Gatekeepers and Rebuilding Through Prayer,** students were equipped to understand prayer as both a spiritual responsibility and a practical partnership with God. Narval Barnes captured this understanding in his assignment, writing that "Prayer is not passive it restores strength, releases spiritual authority, and enables us to confront and defeat the powers of darkness." His work demonstrated a growing understanding of the believer's responsibility as an intercessor, gatekeeper and watchman over individuals, families, churches and nations.

> "Prayer is not passive it restores strength, releases spiritual authority, and enables us to confront and defeat the powers of darkness."
> **Bro Narval Barnes – *Prayer school***

Impactful teaching by Apostle Darlene each month at the prayer school – *Teaching is done over zoom*

The assignments also showed that the teaching was producing personal reflection and genuine application. One student recognised that rebuilding must begin with honest examination of the heart. Reflecting on her own spiritual life, she wrote ***"I come to realise that like the Church of Ephesus, my initial passionate love for Christ and my initial devotion to the gospel has simmered down."*** She went on to identify disappointment, over-commitment and the circumstances of daily life as contributing factors, while acknowledging her need to surrender and cooperate with God in restoration.

> The prayer school has contributed to my spiritual growth because it encourages us to REAP (Read the word, Evaluate the word, Apply the word and pray the word. Thank you to Rev Darlene Erbynn and her team. God bless you all.
>
> **Sis Sonia**
> **DEM Prayer School Student '26**

DEM PRAYER SCHOOL 2026

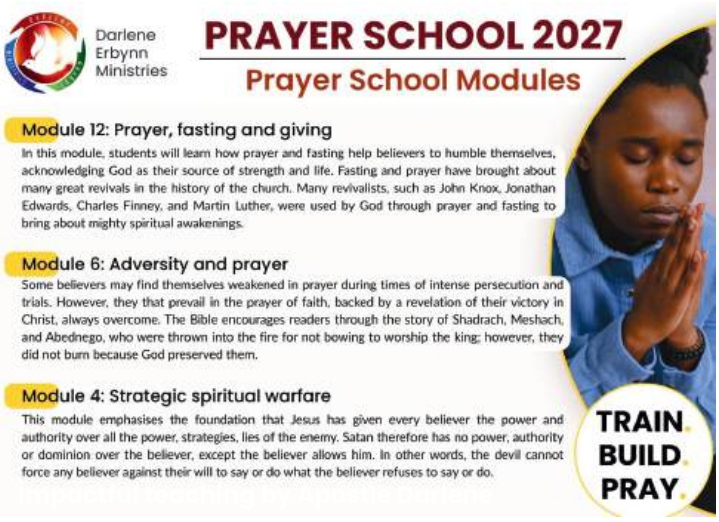

Darlene Erbynn Ministries Prayer School 2026 Report

Across the assignments marked, a consistent theme emerged students are learning that prayer does not replace action, and action must remain submitted to prayer. A student expressed this principle clearly "Burden without planning leads to frustration, and planning without prayer leads to self-effort." Another similarly recognised that prayer must be accompanied by practical and persistent effort, while maintaining spiritual focus in the face of opposition.

> "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen."
>
> **Matthew 28:19-20**

The Prayer School is therefore producing more than students who can answer theological questions. The assignments provide evidence of deeper biblical understanding, increased spiritual awareness, personal examination, practical prayer strategies and a stronger sense of responsibility for families, ministries and communities. Students are learning to recognise spiritual breaches, seek God for strategy, resist distraction, persevere through opposition and take practical steps toward restoration.

Ultimately, the impact of the Prayer School can be seen in students increasingly understanding that they are not merely recipients of prayer but participants in God's purposes through prayer being trained to become Apostles of prayer rebuild broken places and faithfully carry the prayer assignments God has entrusted to them.

DEM YOUTH

NO Limits Prayer Ministry Report

The year began as we continued meeting weekly to pray and meditate on the Word together. We studied the books of Jeremiah and Jonah, drawing encouragement from how God used young men to influence entire nations. During our times of prayer, we not only interceded for one another but also for our nation and other nations, according to current affairs.
Thanks be to God, many of our prayers were answered. Exams were successfully passed, and the academic year came to a smooth end.
As we enter 2027, we will continue meeting every Saturday to pray and study the Bible one book at a time, with an amended meeting time of 9:00-9:30am. We highly encourage you to reach out and join us as we continue to grow our community.

> Children are a gift from the LORD; they are a reward from him. Children born to a young man are like arrows in a warrior's hands. How joyful is the man whose quiver is full of them! He will not be put to shame when he confronts his accusers at the city gates.

DEM SUNDAY PRAYER LINE REPORT CONTINUED

We thank God for the testimonies and answered prayers witnessed during the year not only in some of the local amd national issues we have raised but We celebrated with the blessings God has rewarded the intercessors with. Sis Elodie following the blessing of a new job, recognising God's provision. We also witnessed the miraculous protection of God in the life of Sis Patricia, who was involved in what could have been a fatal accident. By God's grace, she and her work colleague walked away with little or no injury. Truly, we have seen the reality of His promise to give His angels charge over us and keep us in all our ways. We have also witnessed faithfulness and sacrifice in service, including our sister Tina who has continued to attend the prayer line while commuting to work in the early hours of the morning, despite the inconvenience and challenges this presents. As we reflect on the year, we thank God for sustaining the Sunday Prayer Line, strengthening our faith through His Word, answering prayer, saving and drawing people to Himself, providing for His people and demonstrating His divine protection. We look forward to continuing to grow as intercessors who faithfully partner with God in prayer, stand in the gap for others and give Him all the glory for what He has done and what He will yet do.

DEM PASTORAL MINISTRY

Reflections by Minister Gifty

From January 2027, there will a greater focus on the project in Ghana and how the Pastoral Ministry can support and contribute to this work.

> I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people—
> 2 for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. 3 This is good, and pleases God our Savior
>
> **1 Timothy 2:1–3**

This passage stood out to me because it reminds us that, as Christians, we are called to pray and intercede for our leaders and those in positions of authority. Rather than criticising or complaining about them, we are called to bring them before God in prayer, trusting Him to bring about change and guide them according to His will.

I was also reminded that Christians can actively participate in politics and public life. By doing so, we can help influence positive change, challenge ungodly laws and practices, and bring godly values into the political sphere.

We can experience meaningful change in our communities and political landscape when the Church commits to praying, fasting, and faithfully interceding for our leaders. Our responsibility is not simply to observe what is happening around us, but to stand in the gap and seek God for our nations.

DEM PASTORAL MINISTRY

Reflections by Minister Gifty

Reflections on 1 Timothy 2:5–8

This passage reminds us that there is only one mediator between God and humanity—Jesus Christ. He gave Himself on the cross and shed His blood for the forgiveness of our sins, reconciling us to God.

Through the blood of Jesus, we have been cleansed from our sins and made righteous before God. Therefore, we are called to lift up holy hands to God in worship and prayer.

As we lift our hands in worship, we express our submission, surrender, and complete dependence upon God. Our worship is an acknowledgement that He alone is worthy and that our lives belong to Him.

May we continue to live lives that honour Christ, intercede faithfully for our leaders and nations, and surrender ourselves fully to the purposes of God.

TEACHERS' & PARENTS'

Prayer Line Annual Report (2025–2026)

The Teachers' & Parents' Prayer Line has continued to serve as a place of encouragement, intercession and spiritual growth for teachers, parents and all those with a burden for children and the education system. Throughout the year, participants gathered faithfully to stand in prayer for schools, the education system, children, young people and families, believing God for His purposes to be established in this generation. In our society, God and His influence is being actively resisted in the education system.

Our meetings have focused on interceding for revival across the education sector. The prayer line has also sought to equip participants practically through workshops for both teachers and parents. Sessions included guidance on building a spiritual curriculum at home during the summer holidays and establishing teacher prayer groups within schools, recognising that prayer is most effective when it becomes part of everyday life rather than an occasional event.

Throughout the year, we have thanked God for His many answers to prayer. Over this year, we thank God for His faithfulness which has seen teachers like Audrey equipped with the courage to begin a teacher prayer meeting in her secondary school. During the last prayer meeting, we also had new teachers attend such as Rhema. Who has been inspired to go hopefully and start up a prayer meeting in her primary school. We carry the light of Christ to every place He has called us to be.

PARENTS' WORKSHOP

Building a Spiritual Curriculum at Home During the Summer

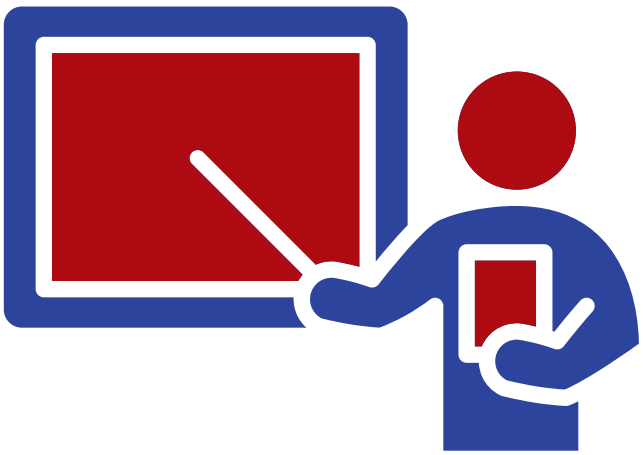

One of the highlights of the last meeting was the workshop delivered by Abies Sonia Ebenezer-Bamigbayan, a UK-registered counsellor, integrative life coach, author and keynote speaker, and a member of the British Association for Counselling and Psychotherapy (BACP).

Abies Sonia encouraged parents to make discipleship intentional by weaving biblical truth into everyday family life. She highlighted the power of storytelling, helping parents communicate biblical principles through age-appropriate stories that children can understand, relate to and remember. Rather than simply teaching facts, she encouraged parents to explain the wisdom behind each story and help children apply those lessons to their own lives.

PRACTICAL IDEAS FOR CHILDREN BIBLE STUDY

Some practical ideas included:

- Read one Bible story together each day.
- Explain the lesson behind the story in language suitable for the child's age.
- Ask reflective questions such as:
- What did we learn about God?
- What choice did this person make?
- What would you have done?
- Encourage children to retell the story in their own words.
- Pray together about how to apply the lesson during the week.
- Include worship, memory verses and family discussions as part of everyday life.
- Media is now part of society. She encouraged parents to source christian materials online for their children such as https://heyokids.saddleback.com/

To reccieve a free weekly workbook for bible study to use with your child over the holidays, please send an email requesting it to :

darleneerbynnmedia@gmail.com

The aim is not simply to complete activities but to help children develop a personal relationship with Christ and learn to hear God's voice for themselves.

TEACHER WORKSHOP

Starting a Teacher Prayer Group in Your School

To the glory of God, Min. Audrey has started a teacher prayer fellowship within her school. She shared a practical guide with teachers below.

PRACTICAL IDEAS FOR CHILDREN BIBLE STUDY

Sometimes it begins because you become aware of a condition and find that you cannot simply walk away from it. Nehemiah 1.

5. Pray for:
   - pupils
   - staff
   - school leadership & decisipn makers
   - Families
6. Trust God to grow the ministry naturally as He brings others alongside.

To find out more or to join our prayer line, send an email to darleneerybnnmedia@gmail.com

We thank Apostle Darlene Erbynn and the leadership of Darlene Erbynn Ministries for their vision, encouragement and faithful support of this ministry. We also thank every member whose consistent prayers continue to make an eternal impact. May God continue to strengthen us

1. Begin by praying faithfully consistently on a weekly basis on your own for your school.
2. Invite one or two like-minded Christian colleagues to join you.
3. Meet regularly before school, during lunch or after school for 15–30 minutes.
4. Keep meetings focused on Scripture, worship and prayer. Prayer themes should be based on the prayer burdens led by the Holy Spirit and those picked up by observation such as we see with Nehemiah. Nehemiah shows that a genuine spiritual burden doesn't necessarily begin with God audibly saying, “This is your assignment.”

Looking Ahead

As we enter the new academic year, we remain committed to partnering with God in prayer for:

- revival among children and young people
- strengthening Christian teachers and school leaders
- wisdom for parents raising the next generation
- protection over schools throughout the world
- the salvation of families
- raising intercessors across the nations to stand in the gap for education.

as we labour together for His Kingdom, believing that every prayer sown today will bear fruit in generations to come.

REFLECTIONS ON DEM LEADERS' PRAYER, FASTING & BIBLE READING

Minister Ednah

Every month, we set aside time to seek God's presence, draw closer to Him, and seek His face through prayer, fasting, and the study of His Word.

After reading the Book of Daniel, I took time to reflect deeply on several areas of my life and leadership:

1. Every month, we set aside time to seek God's presence, draw closer to Him, and seek His face through prayer, fasting, and the study of His Word.
2. After reading the Book of Daniel, I took time to reflect deeply on several areas of my life and leadership:
3. My character – What kind of person am I becoming?
4. My leadership – Am I leading in a way that honours God and reflects His character?
5. The quality of my friendships – Are the people closest to me helping me grow in my relationship with God?
6. My purpose – Am I living the life God has called and intended me to live?
7. My obedience – Do I consistently obey God, even when it is difficult?
8. My love for God – Do I truly love God and demonstrate that love through my life and actions?
9. Passing the tests of faith – Daniel remained faithful to God despite being tested and placed under pressure. His faithfulness was such that even those around him came to recognise and honour the God of Daniel.
10. My influence – Am I influencing others to know Christ, follow Him, and live for Him?

This Scripture challenges us to truly know our God, remain faithful to Him, and stand firm without compromise. When we know God, we can walk in strength, courage, wisdom, and boldness and accomplish great things for His Kingdom.

Meditation Scripture

"Those who do wickedly against the covenant he shall corrupt with flattery; but the people who know their God shall be strong, and carry out great exploits."

Daniel 11:32

Minister Ednah continued

1. Pray for Godly friendships
2. Ask God to bless you with friends who love and obey Him. Pray for four faithful friends like Daniel had—friends who will encourage you, stand with you, and help you remain faithful to God.
3. Pray for unwavering obedience
4. Ask God for grace to always obey Him rather than people, and for the courage to refuse compromise, regardless of the pressure or circumstances around you.
5. Pray for an unwavering identity
6. Cry out to God for an unwavering identity in Christ, together with wisdom, courage, strength, humility, and excellence, so that your life and leadership will bring glory to God.

Reflections on 1 Timothy 2:5–8

This passage reminds us that there is only one mediator between God and humanity—Jesus Christ. He gave Himself on the cross and shed His blood for the forgiveness of our sins, reconciling us to God.

Through the blood of Jesus, we have been cleansed from our sins and made righteous before God. Therefore, we are called to lift up holy hands to God in worship and prayer.

As we lift our hands in worship, we express our submission, surrender, and complete dependence upon God. Our worship is an acknowledgement that He alone is worthy and that our lives belong to Him.

May we continue to live lives that honour Christ, intercede faithfully for our leaders and nations, and surrender ourselves fully to the purposes of God.
